PLEDGE OF CONFIDENTIALITY

In volunteering my time for Gay Men’s Health Crisis (GMHC), I understand that in the course of my service for GMHC, I may learn certain facts about individuals being served by GMHC that are of a highly personal and confidential nature. Examples of such information are medical condition and treatment, finances, living arrangements, employment, sexual orientation, relations with family members, and the like. I understand that all such information must be treated as completely confidential. I understand that all HIV-related information is protected under the New York State confidentiality law (Article 27-f) and I agree to abide by the provisions of that law. I may also learn facts about an individual’s alcohol and drug history, and in accordance with federal law (HIPAA) this information must be kept confidential. I agree not to disclose any information of a personal and confidential nature to any person not also affiliated with GMHC and/or authorized by GMHC to have such information.

I further agree to keep confidential all information I may learn about GMHC volunteers, paid staff, or individuals who make donations to GMHC.
