Converts your steps into donations

Join the exciting AIDS Walk Championship!

Participants in the championship will have the opportunity to earn rewards for their physical efforts. We'll be recognising teams who have **walked the most and brought in the most participants from May 8 to May 22**, with prizes ranging from **\$1000 to \$5000**.

All funds raised through this championship will go directly to **GMHC**, supporting their vital work in HIV/AIDS advocacy, education, and support services.
